

Singapore Land Authority

Expectations/ Scope of Internship	<p>You will gain insights into the work and practices of SLA in areas such as land registration, land survey and geospatial data, land alienation and management of State land and property. You will have a better understanding, gain a broader perspective and knowledge of the procedures under the various legislation administered by SLA, e.g. Land Titles Act, Residential Property Act, Boundaries and Survey Maps Act, State Lands Act and State Lands Protection Act.</p> <p>You will also work closely with the Legal Counsel in SLA to help provide legal advice on policy and operational issues to the various divisions.</p> <p>You should be prepared to contribute and assist in legal research or legal policy projects (which may involve researching the law and practice of foreign jurisdictions) and you may be asked to prepare legal and policy briefs under the guidance of the Legal Counsels.</p> <p>At the end of the internship, you will appreciate the realistic expectations of the work in a legal environment and you can revel in the experience of working with issues that touch and concern land – a limited resource in Singapore.</p>
Eligibility	Rising 3 rd and 4 th year law students.
Period of Internship	Choose between either one of the two windows available: i) Mid-2024 ii) Early-2025
Duration	3 to 4 weeks. All applicants who wish to be shortlisted for an internship must be able to commit to the full period/duration of the internship.
